**The cover that protects your pool in winter
in complete safety**

OPAQUE WINTER COVER

COVEA

Cover available for pools up to 5.50 x 11.00 m maximum.

+ FINISHES

- A 580 g/m² fabric with UV and fungicide treatment.
- Rainwater drainage holes hidden by the flap ensure an efficient drainage and preserve the cover's aesthetic.
- 316 L stainless steel eyelets with grips on PVC reinforcement which ensure better resistance to tension and a more secure and reliable fastening over time.
- Different types of anchors and tensions are available for a integration in all environments.

+ OPACITY

- The opacity of the fabric maintain the water in the dark to prevent the photosynthesis and the growth of algae during winter.
