

LINER

SUPERIOR

**High-performance varnished protection
in a wide range of colours and patterns.**

LINER SUPERIOR

MADE IN FRANCE

Embrace serenity with the Superior liner:

Advanced varnished protection for your pool, simplified daily maintenance and style that never goes out of fashion, thanks to the expertise of DEL.

Advanced protection for a long-lasting pool

Thanks to its varnished surface, the Superior liner offers enduring protection against external aggression:

- **Proven resistance** to UV, stains and chlorine, for a pool that retains its brilliance over time.
- **Abrasion and scratch-resistant surface**, reducing signs of wear and ageing.
- **Ease of use**: optimal performance up to 32°C.
- **Solid warranties** ensuring durability.

Steel grey

A bold style, for a pool that reflects your personality

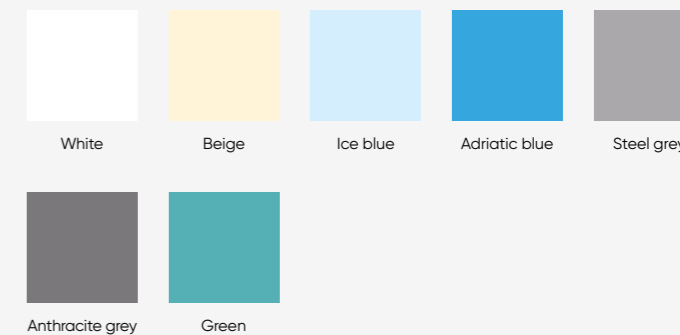

With its wide choice of colours and patterns, the Superior liner adapts to all your desires:

- 7 plain colours for timeless elegance.
- 11 printed colours for a refined, mineral or mosaic effect.
- Customisation options, with our 9 waterline colours and exclusive ID Liner service.

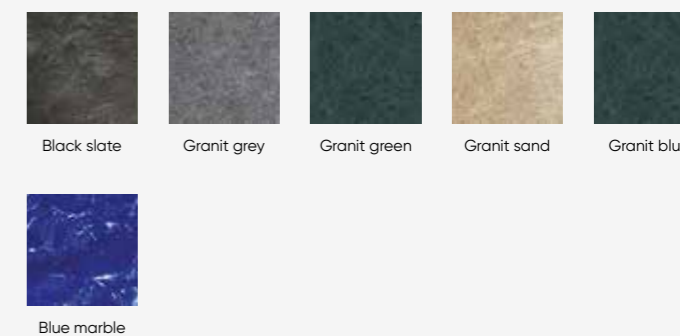

Custom-made to fit your pool perfectly

- **Millimetre precision**, guaranteeing flawless installation and optimal watertightness.
- **High-end finish** crafted with DEL's expertise for an elegant and durable pool.
- **Made-to-measure excellence**, adapted to all pool configurations.

Safety and peace of mind

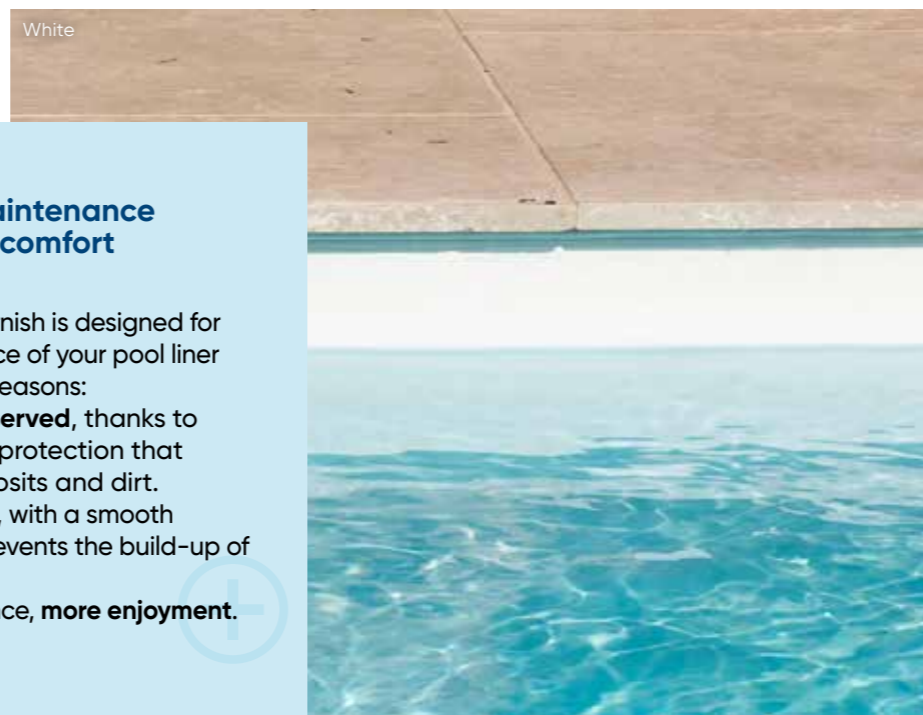

- For enhanced safety, the 101/100th DEL Rio* **anti-slip finish** is ideal for stairs and any shallow areas. In compliance with NF EN 16 582-1 standard (class C) guaranteeing high grip.

*Available with the ID Liner option or for stairs made entirely of this material.

Simplified maintenance for everyday comfort

Superior liner varnish is designed for easy maintenance of your pool liner throughout the seasons:

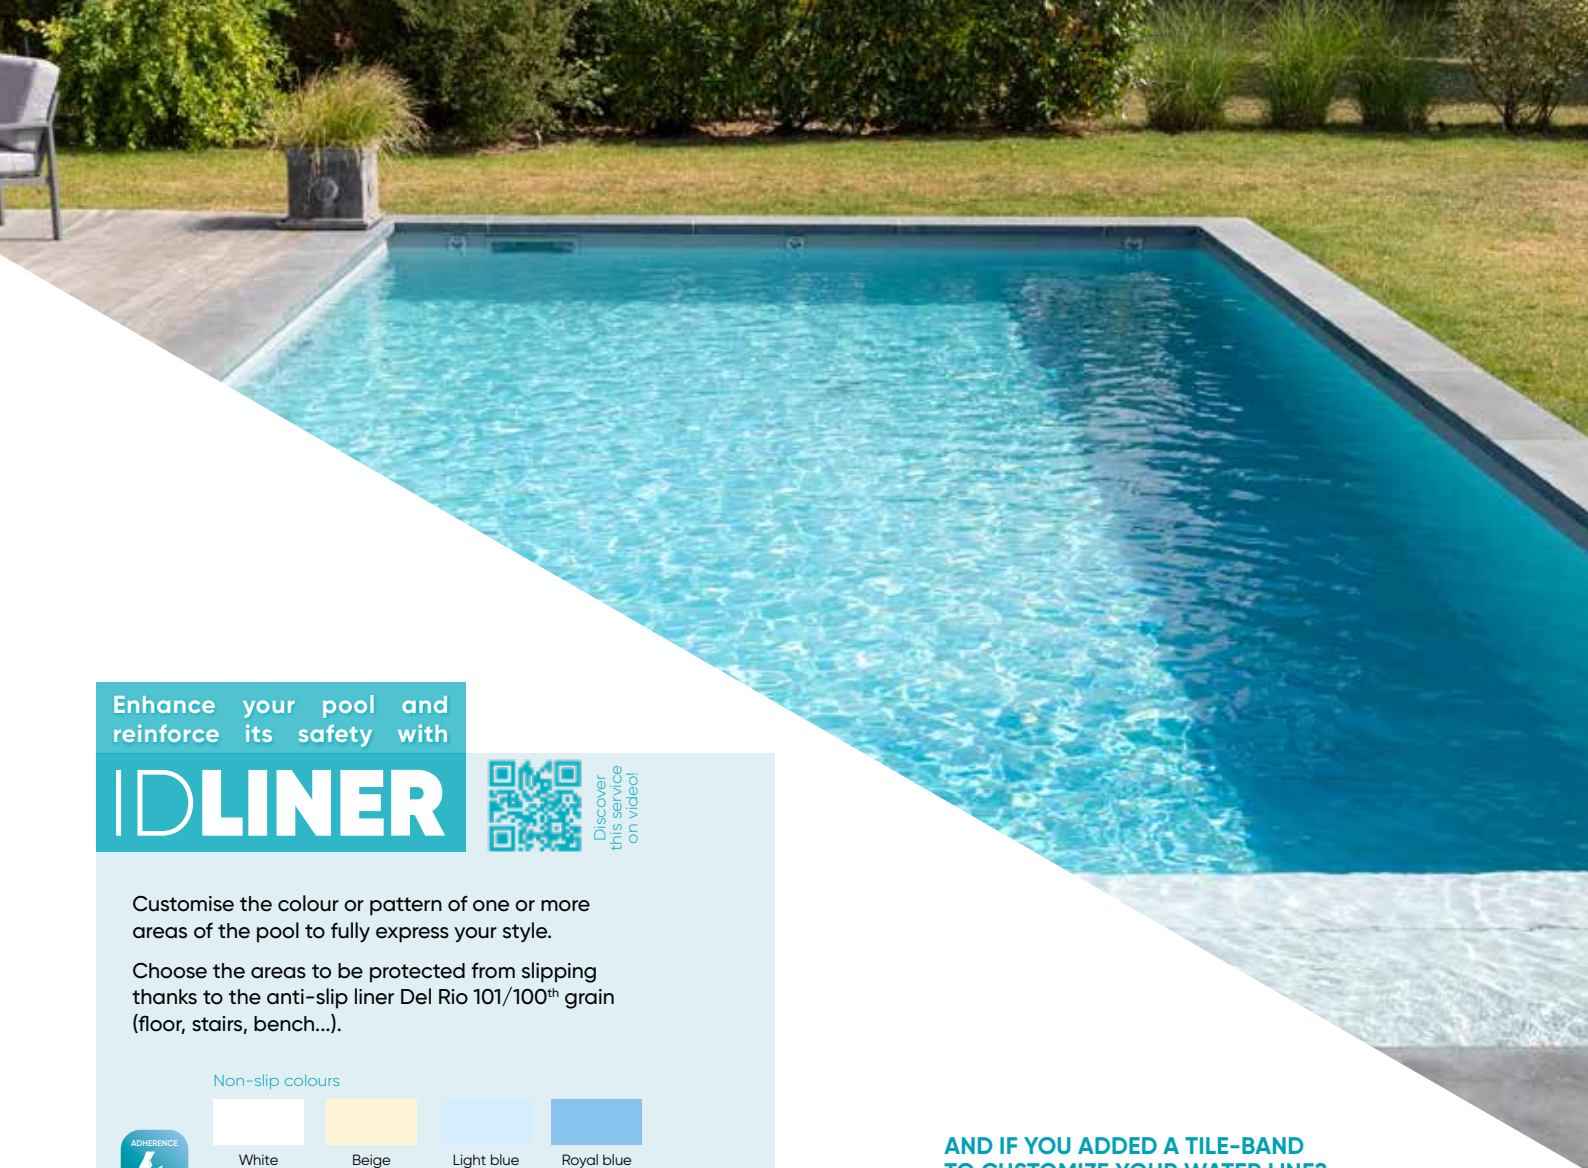

- **Waterline preserved**, thanks to effective stain protection that minimises deposits and dirt.
- **Quick cleaning**, with a smooth surface that prevents the build-up of impurities.
- Less maintenance, **more enjoyment**.

Granit grey

Enhance your pool and reinforce its safety with

IDLINER

Discover this service on video!

Customise the colour or pattern of one or more areas of the pool to fully express your style.

Choose the areas to be protected from slipping thanks to the anti-slip liner Del Rio 101/100th grain (floor, stairs, bench...).

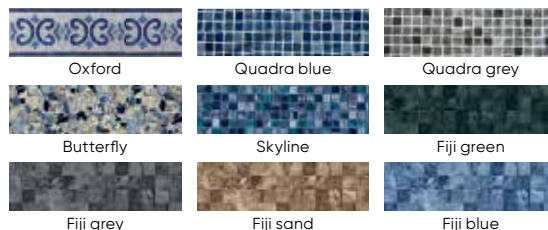

Non-slip colours

Your are unique, and so is your pool!

AND IF YOU ADDED A TILE-BAND TO CUSTOMIZE YOUR WATER LINE?

Height 24 cm - 9 designs to choose from

AFNOR standard NF T 54-802 reminds us that it is impossible to guarantee pattern matching on printed liners or tile-bands with a regular, repetitive pattern.

HIGH-SPEED LINER

For optimum renovation, our exclusive DEL Speedy Liner service ensures that **your liner will be manufactured within a few days**, minimizing the time your pool is out of water.
